## **I. Identifying Information**

---

- a) Applicant Name: Emergency Medical Services Regulatory Board
- b) Applicant Address: 2829 University Ave. SE, #310, Minneapolis, MN 55414
- c) Contact Phone Numbers: 651.201.2800
- d) E-mail Address: [Katherine.Burke.Moore@state.mn.us](mailto:Katherine.Burke.Moore@state.mn.us)
- e) Web Site Address: [www.emscmn.org](http://www.emscmn.org)

## **II. Project Description**

---

The Emergency Medical Services Regulatory Board and the MN EMSC program will collect and report annual data for EMSC performance measures, continue to engage the Advisory Committee, ensure accurate reporting of EMS data and work to incorporate EMSC priorities into state mandates.

### **Performance Measure 66a:**

Goal 1: Ensure that 100% of ALS and BLS providers in Minnesota have access to adequate pediatric online and offline medical direction at the scene of an emergency.

Goal 2: Disseminate 200 copies of Pre-Hospital Pediatric ALS and BLS guidelines to providers.

### **Performance Measure 66b:**

Goal 1: Increase the number of agencies that carry necessary pediatric equipment to 80%.

### **Performance Measure 66c:**

Goal 1: Identify criteria for single tiered recognition system for pediatric medical emergencies and trauma.

Goal 2: Identify hospitals in Minnesota that meet criteria

Goal 3: Incorporate recognition system criteria into existing statewide trauma program

Goal 4: Successfully evaluate and recognize at least one hospital into the recognition system

### **Performance Measure 66d:**

Goal: Increase the percentage of hospitals in Minnesota that have pediatric interfacility transfer guidelines that include all required components from 2% to 25%

### **Performance Measure 66e:**

Goal: Increase the percentage of hospitals in Minnesota that have pediatric inter-facility transfer agreements from 30% to 60%.

### **Performance Measure 67:**

Goal: EMSCRC will work to ensure pediatric training is available to all ALS and BLS medical directors in Minnesota

### **Performance Measure 68a:**

Goal 1: Continue to hold four EMSC Advisory Committee Meetings per year

Goal 2: Develop Advisory Committee Orientation program for new members

### **Performance Measure 68b:**

Goal: Continue to have pediatric representation on the state EMS Regulatory Board

### **Performance Measure 68c:**

Goal: Continue to employ a full time EMSC Program Manager

### **Performance Measure 68d:**

Goal: Continue to engage Stakeholders by attending meetings and conferences.
