

Emergency Medical Services for Children

Resource Center of Minnesota

This resource is a communication tool for pre-hospital providers and their patients (designed with young children, non-verbal children, and ESL children in mind).

The Picture Communication Symbols ©1981–2011 by DynaVox Mayer-Johnson LLC. All Rights Reserved Worldwide. Used with permission.

A BIG thank you to the following individuals: Deb Crimmins, Veneta Lykken, Michelle Wiersma, and Melissa Winger.

Funded in part by a grant from HRSA MCHB H33MC06686
